

LLIA 2023 Annual Meeting

April 26, 2023

LLIA Organization

LLIA is simply a collection of invested neighbors volunteering their time to keep the lake clean and safe.

LLIA Organization

Officers:

- **President:** John Broghammer
- **Vice President:** Sam Hickman
- **Secretary:** Caroline Beckman
- **Treasurer:** Cheri Isiminger

Committee Chairs:

- **Water Quality:** Jennifer Tenenbaum
- **Public Safety:** Caroline Beckman/Wayne Eck
- **Member Engagement:** Bridget Ardoyno

Board of Directors

1. John Broghammer
2. Caroline Beckman
3. Cheri Isiminger
4. Leon Kline
5. Jason Scott
6. Paul Eck
7. Wayne Eck
8. Adam Eck
9. Sam Hickman
10. Jennifer Tenenbaum
11. Bridget Ardoyno
12. Gail Hain
13. Dana Johnson

Agenda

Partner Updates:

- **RCWD Updates** - Matt Kocian, Lake and Stream Specialist

LLIA Business:

- **Water Quality Committee** – Weeds, AIS Monitoring, Carp, Zebra Mussels
- **Public Safety Committee** - Sheriff Patrol, Boat Landing Monitoring, Signage
- **Member Engagement Committee** - Budget/Contributions, Active Member Status, Outreach, Events
- **Election of Board of Directors** - John Broghammer

RCWD Update

Matt Kocian · 3rd

Aquatic Ecologist at Rice Creek Watershed District

Water Quality Committee

- ▶ AIS Treatment Plan & Execution
- ▶ AIS Monitoring
- ▶ Goose Management

Invasive Weed Management Plan

LLIA Treatment Plan

- Goal is to treat common or heavy weed areas so that all can enjoy the lake safely.
- May/June - RCWD Delineation Map
- June/July – LLIA funds treatment of 10-12 acres. We can only treat 15% of the littoral surface area. That's about 15 acres total due to DNR regulations.
- 2, 4d herbicide treatment - \$4,500
- Fall - City of New Brighton Council funding request. They've been funding 1/2 of the total cost.
- Hopefully more grant opportunities moving forward, but I don't think we'll get away from LLIA partially funding.

Owner Treatment Plan

- Treatment around your dock is not the scope of LLIA's treatment. Lake Owners need to do that for themselves.
- Contact Lake Restoration and they'll treat in conjunction with the LLIA treatment plan.
- DIY
 - Get a permit through the DNR. \$35
 - Purchase and spread pellet herbicide per the directions ~ about 10 pounds is needed to treat a property.

Aquatic Invasive Species Monitor

Saturday, Sunday, Holidays from 11:00-7:00

- 1 Our watercraft inspection team can support you in your efforts to prevent the spread of AIS.
- 2 We'll staff your lake accesses with DNR trained watercraft inspectors who adhere to the latest laws and attend to the AIS risks specific to your area.
- 3 We'll manage everything—so you don't have to. From recruiting, DNR training, weekly inspector scheduling, payroll, and HR management, to year-end reporting.
- 4 We'll make sure your AIS funding is well spent using our 15 point management process that ensures inspections and education are being done thoroughly and consistently, per protocols, throughout the season.
- 5 We'll prevent the future spread of AIS by assessing risks at your lake accesses and placing inspectors at the highest priority locations.

Goose Management

CANADA GOOSE MANAGEMENT PLAN FOR LONG LAKE

developed by

LLIA (Long Lake Improvement Assoc)

TABLE OF CONTENTS

LLIA Goose Management Concerns

- 1.1 Canada Goose Habitat Use and Population Estimate
- 1.2 Visitation and Recreation Areas
- 1.3 Concentrated Habitat Use and Human Use Conflicts
- 1.4 Water Quality Issues

Canada Goose Management Recommendations

- 2.1 Goals and Measures
- 2.2 Geographic Scope
- 2.3 Management Techniques
- 2.4 Population Reduction
- 2.5 Public Information

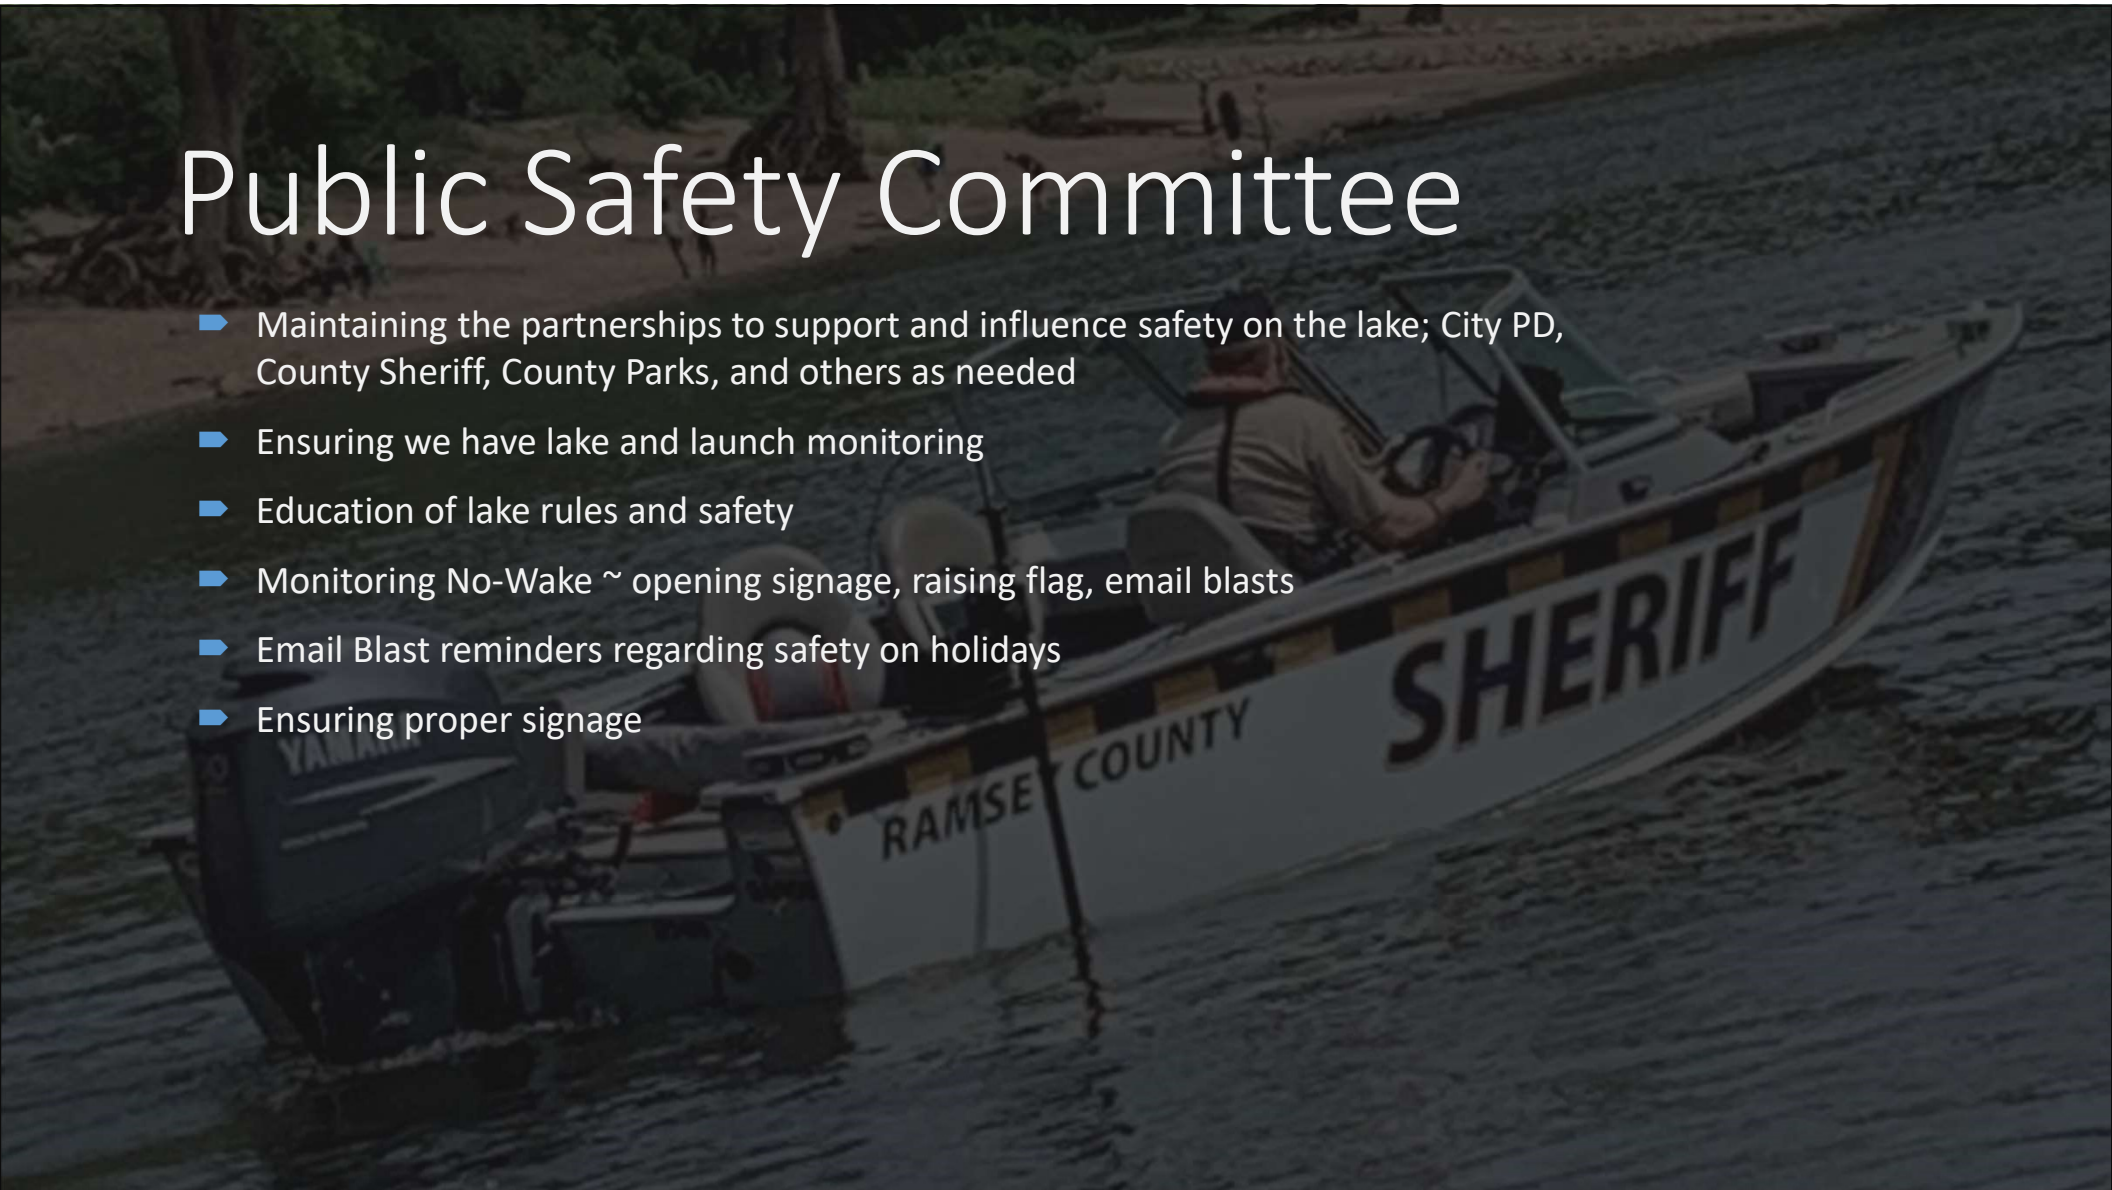

Appendices

- Appendix A. LLIA Context
- Appendix B. Management Activity Tracking Form
- Appendix C. Long Lake Aerial Map

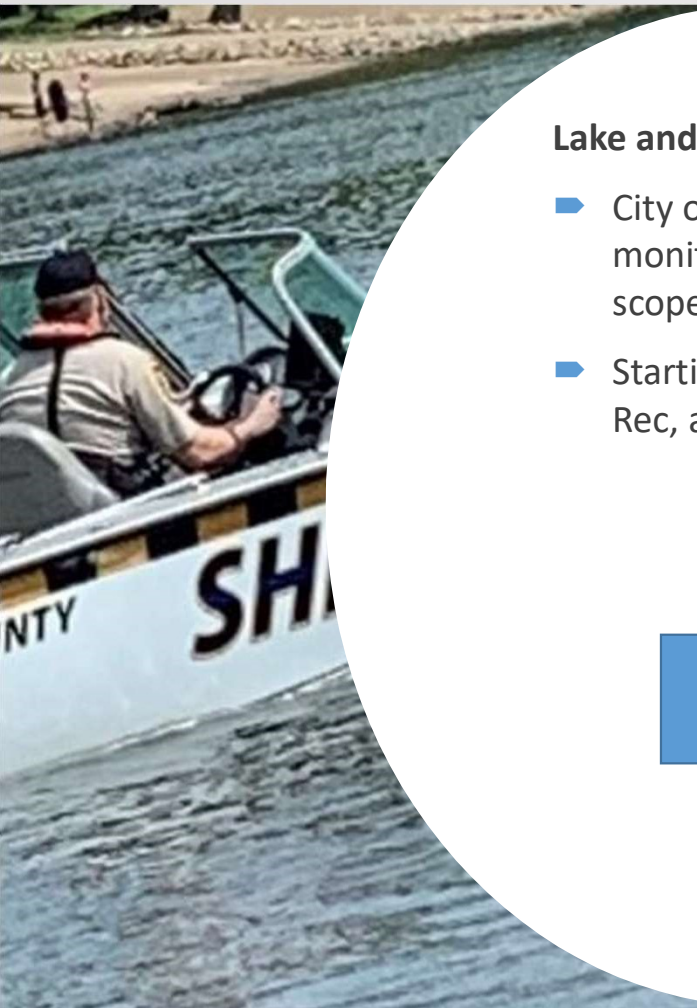

- If you find a nest, email us immediately at llianewbrighton.org
- The Goose Crew will be out in June to corral the geese.

Public Safety Committee

- ▶ Maintaining the partnerships to support and influence safety on the lake; City PD, County Sheriff, County Parks, and others as needed
- ▶ Ensuring we have lake and launch monitoring
- ▶ Education of lake rules and safety
- ▶ Monitoring No-Wake ~ opening signage, raising flag, email blasts
- ▶ Email Blast reminders regarding safety on holidays
- ▶ Ensuring proper signage

Public Safety Committee

Lake and Boat Launch Monitoring

- ▶ City of New Brighton communicated in early 2020 that they will **not** support lake monitoring due to lack of human resource and they didn't see that it was in their scope of duty.
- ▶ Starting summer 2020, we've worked with Ramsey County Sheriff, Ramsey Parks and Rec, and Waterfront Restoration to create the following monitoring plan:

Water Surface Patrol

Ramsey County Sheriff

Heightened presence on weekends and holidays between 5:00PM-7:00PM

Boat Launch Education

Waterfront Restoration

Saturday, Sunday, Holidays from 11:00-6:00

Boat Launch Enforcement

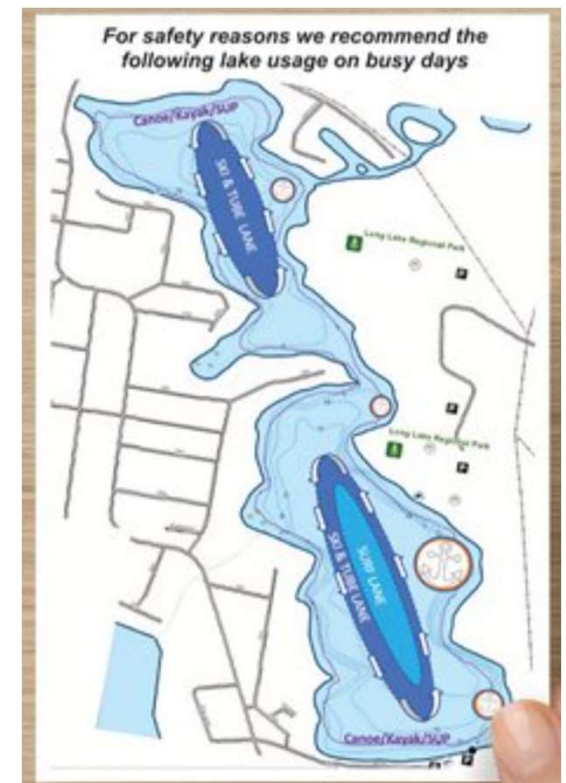

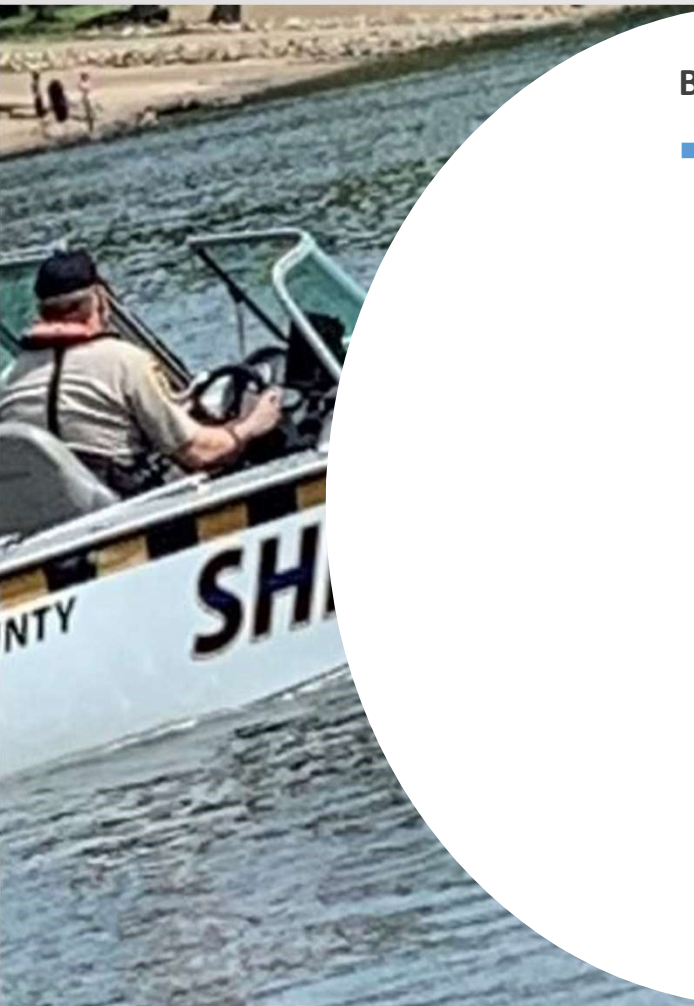

New Brighton PD

Heightened presence on weekends and holidays

Public Safety Committee

Boat Landing Monitoring

- ▶ We've created the following card to hand out to folks at the launch

Member Engagement

Tasks and Duties

- Dues Collection via check and online
- Membership drives via mailings and door knocking
- Website Updates
- Email Blasts
- Mailing Post Cards regarding events and lapsed membership
- Event Orchestration and Execution
 - Annual Meeting
 - Board Meetings
 - Clean Up Day
 - Luminary Walk

Budget

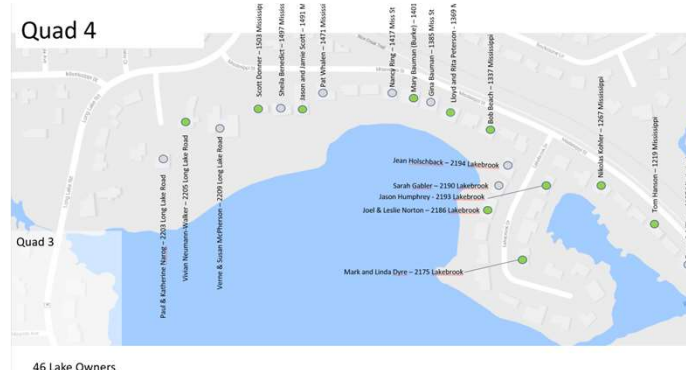

CURRENT BALANCE:		\$ 14,742.00
2023 EXPENSE ITEMS		ESTIMATED COST
AIS Monitoring - Ramsey County		\$ (3,750.00)
AIS Monitoring - Waterfront Restoration		\$ (3,750.00)
Weed Treatment		\$ (5,000.00)
Goose Management		\$ (2,500.00)
Website		\$ (650.00)
Supplies/Mailings		\$ (200.00)
TOTAL EXPENSES:		\$ (15,850.00)
2023 ANTICIPATED INCOME		AMOUNT
City Reimbursement		\$ 5,000.00
Grant		\$ 2,100.00
Additional Contributions Expected		\$ 5,000.00
TOTAL INCOME:		\$ 12,100.00
ANTICIPATED YEAR END BALANCE:		\$ 10,992.00

Active Members

- The best way to promote membership is to talk to your neighbors!***

Events

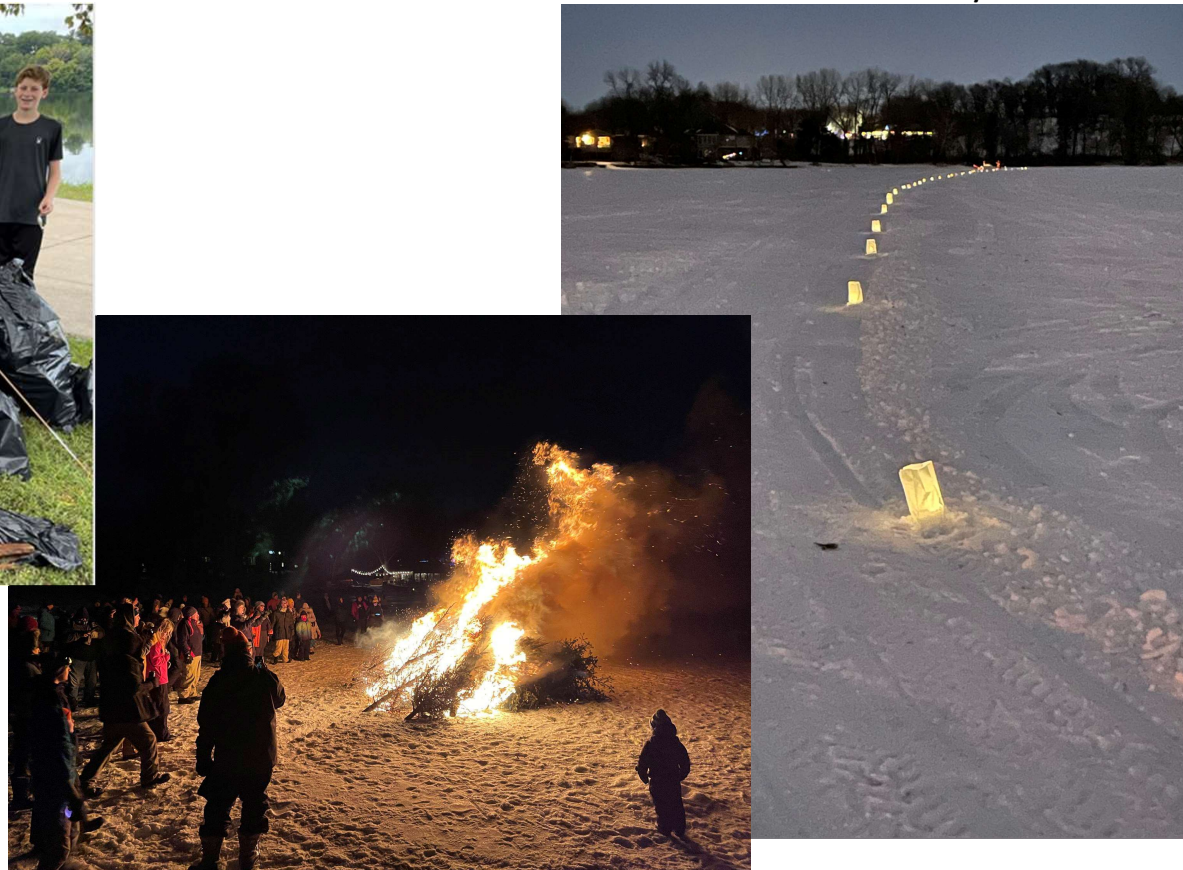

Thanks to our volunteers!

Clean Up Day: First Saturday After Labor Day

Luminary Walk: The Saturday closest to the full moon in February

Election of Board of Directors

Commitment

Board of Directors
3 Meetings per Year

4-15 members “elected” at the annual meeting.

Officers
Attend all meetings

The BOD elects officers at their first meeting.

**Public Safety
Committee**
3 Meetings per
Year

**Water Quality
Committee**
3 Meetings per
Year

**Member
Committee**
3 Meetings per
Year

Creation of Executive
Committees to perform the
actual work of LLIA.

One formal meeting per month plus + homework

Election of the Board of Directors

➡ Name

➡ How do you want to be involved

What's next? The Board of Directors will meet in late May to:

- Elect the LLIA Officers
- Identify the Committee Chairs
- Review how these will be organized and managed moving forward.
